MAYOR MARY M. DENNIS & COUNCIL

The Premier Community to Live, Learn, Work, & Play.

Dear Residents,

Live Oak takes pride in being a forward-thinking and progressive city. With that progression includes our commitment to ensuring the residents are well informed. In this issue of the Hometown News magazine, I provide a view into the City's projects currently underway or recently completed which include improvements to the municipal pool and two new vehicles in production for the Live Oak Fire Department.

Before the 2024 Pool Season, staff began preparing the municipal pool to receive a new liner. The material used is a 60-mil thick, 2-ply reinforced textured PVC pool renovation membrane. The liner was designed for maximal product durability and ease of maintenance over time and is approximately 5,712 square feet with approximate depths that range from 3 to 5 feet.

The kid pool also received the same liner at 252 square feet with a depth of approximately 2 feet. The life expectancy for the new liners ranges between 10 and 15 years. The old liner

provided 11 years of service. The liner installation project was completed in March, and the pool was refilled on March 15th ready for the new season.

The much-anticipated new engine is an all-hazards rescue engine designed to respond to structure fires, EMS, rescue, motor vehicle extrication/stabilization and HAZMAT calls. It is equipped with a Compressed Air Foam

System (CAFS) which helps reduce water damage when fighting attic fires and gets more credit under Insurance Office Services (ISO) which could lower insurance rates in Live Oak.

The new ladder truck is a Midmount 100-foot design with a quick set-up configuration that puts the truck in service in 26 seconds compared to 3 to 4 minutes for the ladder truck it is replacing. Rear steering will make this truck much easier and safer for our first responders to drive. Both apparatuses will be completed in April or May and in service by Spring 2024.

Graduation Season is Here!

High school and college graduates from our local school districts, college, and university will gather with families and friends over the next few weeks to mark not just receiving their high school diplomas, but a symbolic transition from childhood to adulthood. Most students have already been accepted into a college or university, the military, or a program to obtain a trade. This training will give our young people a chance at success once they leave the comforts of home.

The City Council and I would like to congratulate the 2024 graduates and their families who have supported them throughout their lives in preparing for this momentous day. Congratulations to all graduates from Judson, JECA, Northeast ISD, Wayland Baptist University, and Northeast Lakeview College! As you embark onto this new chapter, we wish you all well and much success.

Finally, we invite you to join us for several City and community events including the Community Shred Day, May 11th, Armed Forces Day Parade, May 18th, and the Jr. Fishing Day and 2024 Pool Season Opening Day both on June 1st. Remember, the best is yet to come for the premier community to live, learn, work, and play. If you have any questions, you can always reach me at yourmayormary@liveoaktx.net.

Mayor Mary M. Dennis & Council

Fun has no age limit!

No matter how old you are, or how old you get, you should always plan a handful of fun activities into your day. Outside, inside, or in the community, fun can be had anywhere!

Fun in the Sun! If the sun is out and shining then why not enjoy a little bit of nature? Luckily, there's so much to do in the great outdoors. Getting a little vitamin D from the sun and fresh air for the lungs can go a long way.

Black Rifle Coffee Company
Employee Breakfast

We want to give BRCC a shout out for providing hot coffee for our Employee Breakfast in March. Not only did the city employees enjoy a team-building breakfast but coffee and tea-lovers served up the best caffeinated cups of brew. The kind gesture meant so much to city staff and it was a part of kicking off their day with a breakfast, fellowship amongst co-workers, and a hot cup of coffee. To the entire BRCC crew, thank you again. *Thank you!*

IKEA-Tri-County Chamber Luncheon

We would like to extend our thanks to IKEA Live Oak for hosting the Tri-County Chamber of Commerce March luncheon for local business owners, surrounding city officials, and dignitaries from Tri-County Chamber. With gratitude, we all would also like to thank Team IKEA for providing their delicious signature Swedish meatballs, professional services, and the demanding work they do for the community. But most of all, thank you IKEA for being a part of what gives our town the flavor it has.

We also extend our thanks to Wayland Baptist University (WBU) for hosting the Tri-County Chamber of Commerce luncheon for the month of April. It goes without saying that Live Oak's businesses are very generous and open their doors when needed. As hosts, you all were spectacular in so many ways, accommodations, friendly faces greeting guests, and providing a wonderful facility perfect for the event. *Thank you*

What a Grand Show!

This year's Great Texas Airshow was for spectators

JBSA-Randolph did a phenomenal job in the coordination with vehicle and pedestrian traffic. We would like to thank Live Oak businesses that were a huge part in making the Thunderbird VIP hospitality tent a success again this year. Black Rifle Coffee and Dunkin were out each morning providing the Thunderbird pilots and their family members with hot freshly brewed coffee and tasty donuts. Gold's Gym provided a private workout space for the pilots during their downtime.

JBSA-Randolph officials are raving about the enormous success of this year's Tri-Co Chamber VIP tent. Kudos to the entire Team from Texas Tri-County Chamber and the partnering cities for coordinating the hospitality tent and keeping VIP guests happy with snacks and drinks during the airshow. You all spiked the ball hard this year and we know you already have great ideas on how to expand upon it for next time. Excellent job! *Thank you*

Eggstravaganza and Movie in the Park

An EGGcellent time was had by all at this year's event. A big thanks to the Parks Crew, Parks and Recreation Commissioners, staff volunteers, and EGGspecially the parents that brought out our youngest residents to play in the park and hunt eggs. Everyone, including the adults had a fun time searching for the prize eggs including the adults along with enjoying the great food offered at the food trucks. The day was filled with a surprise visit by the Easter Bunny hopping by, watching the EGG-citing hunts, and taking photos with the kiddos. The Movie in the Park had everyone on their feet dancing to the great music from the featured movie Trolls Band Together.

A special thanks to 375° Social Kitchen, Kona Ice, Tasty Balls & More, Black Dog Kitchen, and Nun-Chux Original Craft Eggroll Bar for keeping everyone fed and happy. An EGGstra big thank you to Raising Cane's and Marco's Pizza for their generous donations to the event. We appreciate the hard-working crew from Raising Cane's for volunteering and assisting with the event coordination. *Thank you*

Do you have a home fire escape plan?

Here are some steps to a fire escape plan:

- Draw a floor plan for each floor of your home, including windows and doors. For each room, find two ways out, and label them on your plan.
- Designate one adult to assist with babies, young children, or family members who need extra help getting out safely and have a back-up plan in case the primary person is overcome by smoke or is not home.
- Decide on a safe meeting place for your family. Make sure it is a safe distance away from the home.
- Make sure everyone knows what to do and where to go in case of fire.
- Test your smoke alarms twice a year!
- Teach your child to get low and crawl on the ground, where the air is less smoky.
- Practice your fire escape plan twice a year.

As a reminder, please sign up for Connect CTY-Telephone Alerting System, and The State of Texas Emergency Assistance Registry (STEAR). Connect CTY will send out important emergency information. Gearing Up For Summer Safety

The Live Oak Fire Department would like to remind everyone to be safe, as the summer months approach.

- Stay Hydrated. Drink eight or more glasses of water per day to stay healthy.
- Know the side effects of medication. Some medications have side effects such as drowsiness or sun sensitivity.
- Stay cool. Stay in the A/C or GO SWIMMING!!!!
- Wear light loose-fitting clothing. Wear breathable clothing and light colors that reflect the sun.
- Have Emergency contacts. Have a list of people to call in case of emergency.
- Wear Bike helmets. They should cover the forehead and sit level on the child's head. Fasten the helmet tight enough that two fingers fit between the chin and strap.

Fireworks are Prohibited

Live Oak would like to remind everyone of the City Ordinance regarding fireworks.

Chapter 8. Article III, Section 8-43 Prohibited.

It shall be unlawful for any person to manufacture, assemble, store, transport, receive, keep, sell, offer, or have in his possession with intent to sell, use, discharge, cause to be discharged, ignite, detonate, fire, or otherwise set in action any fireworks of any description.

So leave the fireworks to the professionals and visit a safe, professional firework show.

Smoke and Carbon Monoxide Detectors

We should all remember to change out smoke detectors batteries at least once (1) a year, but how often do we remember to check the carbon monoxide detector? Referencing First Alert, if your carbon monoxide alarm has replaceable batteries, they should be changed at least every six (6) months. Carbon monoxide poisoning is common during the winter months as we start to use heating appliances. You can also contact the Live Oak Fire Department at 210-653-9140, ext. 2379, and inquire about both smoke alarms and the Kemeth Cole Carbon Monoxide Detector programs.

Thank you for using the Single Use Disposal System!

The Single Use Disposal Systems (SUDS) are a convenient and environmentally friendly way to dispose of your unused or expired prescription medications. The pre-paid **TakeAway Envelope** allows you to mail your unused and expired prescriptions from the privacy of your own home. They are incinerated unopened keeping them out of our drinking water.

WHAT HAPPENS TO THE ENVELOPE AFTER IT IS MAILED?

The envelopes containing the medications are sent directly to a treatment facility to be incinerated.

ARE TAKEAWAY ENVELOPES SAFE?

Yes, the TakeAway Envelopes are safe. Using the TAE is safer than flushing or throwing the medications in the trash. Incinerating the medications limit the environmental damage that medications can have by preventing them from polluting our drinking water.

The Environmental Protection Agency (EPA) recommends incineration as the method of drug destruction, which meets the Department of Enforcement Agency's (DEA) standard.

CAN NEEDLES OR INHALERS GO IN THE ENVELOPE?

Unfortunately, no. Please reach out to your local health department.

WILL ANYONE SEE MY PERSONAL INFORMATION?

No, once you seal the TakeAway Envelope it is incinerated unopened.

Questions: Please contact Danielle Campbell at 713.743.7016 or email dscampbe@central.uh.edu

This project is funded by Texas Health & Human Services Texas Targeted Opioid Response.

As many as **92%** of people have leftover medications and don't know how to dispose of them. You can lead the effort to remove unused medications by cleaning out your medicine cabinet using Single Use Disposal Systems.

Using the environmentally safe TakeAway Envelopes reduces the risk of unused prescription medications getting into the wrong hands and helps prevent accidental poisonings.

Please take a picture of the QR code and answer a few questions so we can continue to provide these to you at no cost.

Get Your SUDS envelope today at LOFD!

National Public Works Week May 19-25, 2024

Every year during the third week of May, we celebrate National Public Works Week by honoring public works professionals. These dedicated men and women work hard to ensure that Live Oak remains the premier community to live, learn, work, and play.

The American Public Works Association chooses a theme for National Public Works Week each year; this year's theme is, "Advancing Quality of Life for All". Public works professionals advance the quality of life by building and maintaining the infrastructure necessary to protect, sustain and enjoy life. These include water, sewer, drainage, public buildings, parks,

special events and the entire vehicle fleet serving the city. All these things work because of public works.

Every individual in the Public Works Department has a vital role in the success of the Department. Our Public Works team provides essential services to our residents so that they may live in a vibrant and growing community. The City of Live Oak is PROUD to employ men and women who strive to make a difference for the improvement of quality of life for all our residents, business owners, and visitors. Although often unsung, all our public works professionals are appreciated beyond measure. Should you see them beautifying the park, fixing water main breaks, improving your roadways, or just out and about; we invite you to show your appreciation too!

**SLEEP APNEA
AFFECTS YOUR WHOLE BODY**

STROKE
Sleep apnea reduces blood flow to the brain and increases pressure, making it difficult for the brain to prevent damaging events like stroke.

HYPERTENSION
Sleep Apnea can result in higher blood pressure. 24 hours of the day and is known to contribute to the development of secondary hypertension.

DIABETES
Sleep apnea creates an unhealthy amount of CO2 in the blood that upsets the balance in the body. This can result in difficulties using insulin.

LIBIDO
Sleep apnea can result in low levels of testosterone, decreasing libido in men and women.

DEPRESSION & ANXIETY
Sleep apnea may be responsible for failure to respond to the appropriate treatment of depression and anxiety.

HEART DISEASE
Sleep apnea puts stress on the blood vessels and leads to increasing heart rate and blood pressure. All of which contribute to the development of heart disease.

OBESITY
Ghrelin, the hormone that makes you hungry, is higher in those with sleep apnea, resulting in tired and hungry individuals.
