## Preliminary Re-Plat Application & Checklist

### **Preliminary Re-Plat shall include (check boxes to confirm compliance):**

- Sheets are not to be less than 18" x 24" with ½ inch borders.
- Drawn to a scale of 1" = 100' or greater, indicate on plat.
- Include an index sheet if more than sheet is necessary to accommodate the entire area.
- A Preliminary Re-Plat must be consistent with the City's plans, policies and ordinances including, but not limited to, the Comprehensive Plan and Zoning Ordinance, and an approved master plan (if applicable).
- A location map of the subdivision indicating its relation to adjacent arterials or collectors with sufficient information to locate the subdivision in relation to the rest of the City.
- Names and addresses of the applicant, record title owner, engineer and/or surveyor.
  - **To include a list of 200ft property owners in conjunction to said property for re-plat according to Bexar County Appraisal records at [www.bcad.org](http://www.bcad.org)**
  - **List will include owner's name, property address, owner's mailing address, Bexar CAD's Block & Lot Number**
- The proposed name of the subdivision shall not have the same spelling or be pronounced similar to the name of any other subdivision located within the City or the City's extraterritorial jurisdiction, unless the subdivision is contiguous to a recorded subdivision and the plat represents an additional installment or increment of the original subdivision.
- Names of contiguous subdivisions and the owners of contiguous parcels of un-subdivided land, and an indication of whether or not contiguous properties are platted.
- The locations of contiguous lots, blocks, streets, easements, rights-of-way, parks and public facilities.
- Subdivision boundary lines indicated by heavy lines and the computed acreage of the subdivision.
- Existing site information as follows:
  - The exact location, dimensions, name and description of all existing or recorded streets, alleys, drainage structures, reservations, easements or public rights-of-way within the subdivision, intersecting or contiguous with its boundaries or forming such boundaries;
  - The exact location, dimensions, description and name of all existing or recorded residential lots, parks, public areas and significant sites within or contiguous with the subdivision.
- The location, dimensions, description and name of all proposed streets, alleys, parks, public areas, reservations, easements or rights-of-way, blocks, and lots.
- Date of preparation, scale of plat, and north arrow.
- Topographical information shall include contours on the basis of five (5) vertical feet in terrain with a slope of two percent (2%) or more, and on a basis of two (2) vertical feet in terrain of less than two percent. Contour lines shall be based upon City datum, if available.
- Location of City limits line, the outer border of the City's extraterritorial jurisdiction, and zoning district boundaries if they traverse the subdivision, form part of the boundary of the subdivision, or are contiguous to such boundary. This shall be shown on all copies submitted to the City and will not be required on the final plat.
- The preliminary Re-plat shall indicate by lot the proposed land use and proposed density on all copies submitted. This information will not be required on the final plat.
- A number or letter to identify each lot or site and each block.
- Any setback lines that are proposed to be more restrictive than the Zoning Ordinance.

- Additional information as may be required by state law, the City Engineer, or the Commission.
- Land subject to any special flood hazard zone according to the City's adopted flood maps.
