The Mayor's Corner

Dear Residents,

During the recent troubling times we faced and still face even today, we saw acts of kindness and everyday people transform into front line super heroes. We witnessed a community come together as one with a show of support and generosity for these workers at the front lines. I would like to begin by giving a heartfelt thank you to the local health care workers, EMS, fire personnel, postal service, grocery workers, teachers and of course our men and women in blue. You all have bravely faced down unprecedented challenges. You were out every day providing front line essential care, services and protection to our community. Live Oak is very fortunate to have Methodist Healthcare Systems right here in our backyard providing this region with top-notch services and known as one of the best hospitals in San Antonio. Together, city officials and Methodist Hospital - Northeast worked hard to keep everyone safe and well informed.

We also witnessed Live Oak businesses donate meals to those on the front lines along with donating hand sanitizer to fire and police personnel. Even during trying times, business owners could be found helping other businesses by teaming up to prepare and deliver meals to public safety workers at City Hall. We appreciate and thank each business for their generosity, every citizen for their patience, every volunteer who donated countless hours at the food banks, and to the talented seamstresses for making face masks during the shortage. The compassion and generosity demonstrated by people in Live Oak and across the state is an example of being a true Texan and heroes without capes. You are all super heroes, and we sincerely thank you! Let's continue to practice good habits and help contain the spread of the virus. Take care of yourselves and each other. Take a minute to check on a loved one or stop to give your neighbor a helping hand. As always, I'm honored to represent you and together, we will remain Live Oak Strong!

City Says Goodbye To Longtime Commissioner

The City of Live Oak and the Planning & Zoning Commission mourns the loss of one of their own. Longtime resident and Planning Commissioner, Harvey Johnson passed away unexpectedly on March 18, 2020. In November of 1999, Johnson was appointed by city council to the commission and served the majority of the 21 years as the commission's chairman or vice chairman.

On March 10th, before his death, Mayor Mary M. Dennis and the Live Oak City Council recognized Johnson amongst other members of the 2040 Comprehensive Plan Advisory Committee for their diligent work on the document for the City. During the recognition his daughter Jennifer, and two grandchildren, Grant and Abigail were in attendance to see him receive his plaque and certificate. With his tenure on the commission, he was instrumental in creating the new Comprehensive Plan along with countless Subdivision & Zoning Code amendments over the years. These important documents and zoning regulations are just a fraction of Johnson's service and accomplishments with the City of Live Oak.

Longtime friend and fellow commissioner Bill Umphlett said "he was a wonderful friend to me and was devoted to his family and to the commission. He will be greatly missed and I will never forget our time together serving on the commission. Johnson's selfless dedication and service to this community will never be forgotten by all who knew him."

Before his death, Johnson announced that he planned to "hang-up" his commissioner's hat in December 2020 to spend quality time with his family. Newly elected Chairman Rebecca Kochan said "it was a pleasure and an honor to be on the Planning Commission with Harvey and I appreciated all his wisdom and advice he gave me throughout the years. I will miss him."

The City of Live Oak will forever be indebted to his wisdom and integrity he brought to the commission. His life will be defined by a long career of teaching, serving his community, his gentleness and for the love he expressed for his family and friends. We will miss the soft spoken man we call "Chairman" and can only hope we make him proud with our future endeavors. Mr. Johnson was preceded in death by his wife Carol and son, Brian.

Thank You's & NEWS

The Dear Agency

Feeds Front Line Workers

Dawn Dear with The Dear Agency-Farmers Insurance delivered meals to Live Oak's front line public safety and first responders. She teamed up with Biff Buzby's Burgers to serve up juicy burgers, french-fries and fresh chef salads to everyone.

We thank Dawn and Farmers for her generosity and to Hunter Bogar and the Biff's staff for a job well-done!

The Dear Agency

A HUGE THANK YOU TO THE FOLLOWING FOR MAKING LIVE OAK'S JUNIOR FISHING DAY A SUCCESS!

Kiwanis, Texas Parks & Wildlife, Live Oak Parks & Recreation Commissioners, Raising Cane's Chicken Fingers Kids Combo Cards, Texas Roadhouse Kids Meal Cards.

Kiwanis

First Responders send a huge thank you to Little Caesars during their "Pie It Forward" campaign in June. Little Caesar's Pizza Live Oak delivered 40 pizzas to Live Oak's police, EMS and fire personnel for all they do for the community.

E-Rotarians Give Back

The E-Rotary Club President Eddie Knightington accompanied by Mayor Mary M. Dennis made a generous donation of gift cards on May 26th to Live Oak's first responders for all their efforts during the pandemic. The club provided the firefighters with twenty gift cards from Williams Confectionery. Each recipient will enjoy a delicious meal and dessert prepared with love by Mrs. Williams herself.

Most Rotary e-clubs usually meet online, but this group meets weekly for breakfast or lunch at Williams Confectionery. It was very fitting for them to purchase the cards from one of their favorite Live Oak eateries. Club members range from professionals to retirees and are very well known in the community.

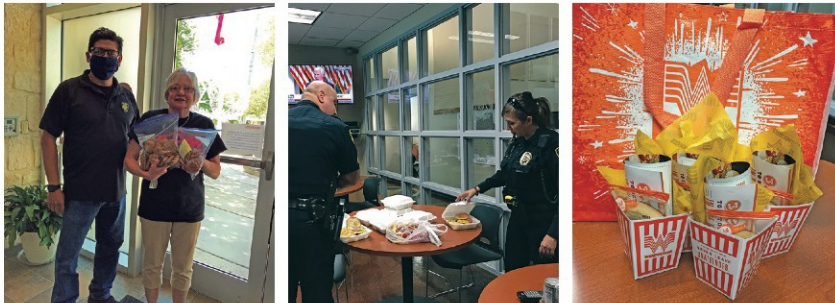

One can spot this group of wonderful people out in the community sporting their navy and gold rotary shirts ready to tackle their next mission. A big thanks to Club President Knightington and the club members for their generosity.

Police Department Says “Thank You”

During the months of March - May, the Live Oak Police Department received numerous donations from Live Oak residents, Live Oak businesses, police organizations and neighboring community groups. We want to take this moment to say “thank you” to each of them for the generosity and their continued support to Live Oak’s first responders. A big “thank you” goes out to Suzanne Hildebrand, Black Rifle Coffee, Las Palapas, Starbucks, LOL Liquors, CLEAT, Kobe Teppan, Olympia Hills, River City Community Church, Whataburger, Safariland, Kathryn Baily, Carol Hoke, Sandra Forrest, and Rebecca Krielings. These wonderful people, businesses and organizations donated items such as homemade face masks, gloves, hand sanitizer, meals, baked-goods, coffee and so much more! THANK YOU ALL!

As the Live Oak Fire Department partners with staff, and city council as “Team Live Oak” to create and maintain a safe community, we would like to thank the citizens of Live Oak for their continuing support during the Covid-19 crisis.

Alamo Ranch Cabinets

Alamo Ranch Cabinets

We Proudly Support

The City welcomed new business owner Mark Moya of Alamo Ranch Cabinets in May as he and his wife opened the doors for business in Live Oak. If you are in the market for a new renovation, you can now make Alamo Ranch Cabinets your one stop shop for new cabinetry, renovations and more! The new store is conveniently located inside the Shops at Live Oak Shopping Center located at 8330 Pat Booker Road next door to Hello Lovely Hair, Skin and Nails.

After serving in the U.S. Navy, Mark returned state side anxious to start a brand new career as an entrepreneur. He searched to find something he would enjoy and have a passion for. Working with his hands always came natural and construction and renovation work became his key focus.

While in the military, he acquired many great skills like leadership, discipline and a never quit attitude for a mission accomplishment. With these skills, Mark's success story begins with the new endeavor and has become his gateway to a new kind of happiness. "Some veterans have it a lot worse

than me or experienced more than I did. There's a lot of PTSD out there and I want to be a part of the solution." With that in mind, Mark created a professional but comfortable shop for customers to visit. He considers his shop a safe and relaxing environment for not only fellow veterans but everyone that walks in. Mark and his wife recently added to the Moya family with a new baby boy.

We proudly support veteran-owned small businesses and look forward to watching Mark and his business grow. Congratulations to bright new future.

Hat Creek Burger Co.

The Hat Creek Story

Hat Creek Burger Company is a dream of founder Drew Gressett that started in 2008. Giving it his everything, he opened a food trailer serving up amazing burgers, fries, and shakes. The rest is history! On May 22nd Mayor Mary M. Dennis, City Council members, Tri-County Chamber Dignitaries and city officials joined Drew, his wife and children, and the entire Hat Creek team with a ribbon cutting ceremony celebrating the opening of the 25th Hat Creek restaurant. Live Oak's Hat Creek Burger officially opened on May 26th with a soft opening to begin serving the northeast side communities with great tasting food.

After serving thousands of burgers from the original beloved food trailer, Drew moved the business into the legendary Burnet Road area in Austin to serve delicious food to the masses. Not only did Hat Creek Burger Company grow in reach but also in concept. Now, with three children, Drew's focus would be on quality and serving the entire family. Friendly and helpful service is and always will be his top priority second only to food quality.

Hat Creek's mission is to provide fellowship and fresh cheeseburgers, and with a goal to become the best fast-

casual, family-friendly restaurant in the country. Live Oak's Hat Creek has an entire team of professionals dedicated to achieving this goal while also making your visit the best it can possibly be. Three things will never change: Hat Creek will always be a place for good food, good friends, and good fun. It's that simple. Stop by for breakfast, lunch or dinner at Hat Creek's convenient new location inside the Gateway Shopping Center at 7617 N. Loop 1604 E. Welcome to Live Oak Drew and the Hat Creek team!

BUSINESS APPRECIATION Luncheon

CANCELLED

The event honors Live Oak businesses and recognizes the top Business, Community and Corporate Partners of the Year. The 2020 event would have been the 10th anniversary celebration of the luncheon. Live Oak's Economic Development Corporation (LOEDC) Board of Directors are very disappointed to announce the cancellation of the event after much consideration to take a proactive approach to prevent the spread of the virus.

The 2020 recipients of the Business, Community and Corporate Partner Award will be notified and recognized during future city events. Businesses receiving sponsorships and volunteer awards will receive their recognition awards by the LOEDC Directors in person throughout the year and will be highlighted in upcoming editions of the Hometown magazine.

Thanks for Having Our Backs!

LOCAP, Live Oak Citizens Assisting Police, honored the City of Live Oak Police Department first responders during National Law Enforcement Week. During the week of May 11th, the blue ribbons you saw along Shin Oak Drive in front of the police and fire departments were placed by LOCAP volunteers to commemorate National Police Week, and to honor fallen officers.

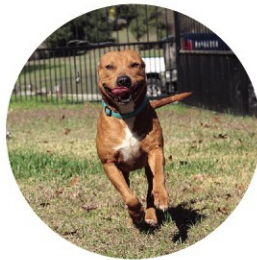

LOCAP members also expressed its appreciation to all Live Oak Police Officers, civilian staff, animal control officers, and dispatchers by preparing a bag full of non-perishable items for each of them. Several items were donated by local businesses. We thank our first responders profusely, especially this year during these very uncertain times when they are out in the community each and every day, putting themselves not only in physical danger, but danger to their health and well-being. This is but a very small token of our appreciation and gratitude to say “Thanks for having our backs!”

Because of the COVID-19 pandemic, LOCAP members have stayed away from actively participating in activities at the police department and the community, in compliance with state and local mandates. However, we continue to support

our police officers, and other first responders, from the safety of our homes, and from our hearts!

Being a LOCAP volunteer is definitely rewarding. Members must first attend and graduate from the Live Oak Citizens Police Academy. For information, please contact the Live Oak Police Department, 210-945-1700, or email LOCAP at LOCAP@LiveOakTx.Net.

Volunteers Make A Difference

Animal Care & Control Volunteers Make A Difference

The City of Live Oak is in need of volunteers who will work hand in hand with the staff at the Animal Care & Control facility. The organization is always looking for compassionate animal-loving volunteers to join our team! Volunteers are needed to assist with daily maintenance and care for the animals to include cleaning kennels, washing, walking and socializing with the adoptable animals. Volunteers must be 18 years of age and must submit a Volunteer application.

Applications can be submitted to the Animal Control Department or City Hall. You can find the volunteer application under the “Residents” tab on the city’s website at www.liveoaktx.net. Any questions or concerns can be forwarded to the Animal Control Staff at 210-653-9140 extension 2228.

COVID-19 Pandemic Criminals

The criminal element is always looking for an opportunity for cash. There are no rules, no boundaries and nothing is off limits. Now amid the COVID-19 pandemic criminals have new opportunities to prey on victims. People are being bombarded through telemarketing and social media with seemingly legitimate opportunities for everything from investments, PPE equipment, virus prevention and cures and anything else a scammer can think of to come between you and your money. As always, if it sounds too good to be true, it more than likely is.

There are scams for miracle cures and vaccines. There is no vaccine currently available that will prevent or cure COVID-19. If there were, you would not be hearing about it from someone calling you randomly on the telephone. The only protection and prevention we have are proper hygiene and distancing yourself from others.

Personal Protective Equipment (PPE) has been in short supply for months. When you purchase these items, make sure it is from a legitimate source. Unsolicited offers for these products are most likely bogus. Purchasing these items online from an unsolicited source will relieve you of your money and the possibility of no product. If you do receive a product there is no telling if it is safe. Health insurance scams are now everywhere. Phone calls and emails requesting your health insurance, personal and financial information are bogus. No legitimate business will contact you requesting this information so they may

schedule for COVID-19 testing. Government agencies will not contact you demanding that you must pay a fine or face arrest because you did not take a COVID-19 test.

Other scams are now disguised as charitable contributions or investment opportunities. If you wish to donate to a charitable organization, make sure it is one you know and trust. If not, at least do some research before sending money. Beware of unsolicited investment opportunities. Promises of fast return on your cash for new groundbreaking ventures, or when you hear the words “you must act now” should be a warning sign. Do not act immediately, better yet do not act at all, just hang up the phone.

Remember, scammers have no conscience. They do not care who you are, what difficulties you have, or hardships you are enduring. They want money and they do not care how they get it. Think smart, be thorough and report any suspicious or fraudulent activity to your police department.

National Memorial Day and Police Week 2020

On Wednesday, May 13, 2020, in a private ceremony, a wreath was laid upon the monument in honor and remembrance of Live Oak’s fallen Officer Alfredo Araiza and all fallen law enforcement officers across our nation. The crisis that our nation is facing may have resulted in the cancellation of the annual ceremony but never the memory of those that paid the ultimate sacrifice. We commend the brave men and women of our law enforcement community for their courage to fulfill their solemn oath to protect and serve.

We want to hear from you!

LIVE OAK STORM WATER QUESTIONNAIRE

Grilling Safety

There's nothing like outdoor grilling. It's one of the most popular ways to cook food. But, a grill placed too close to anything that can burn is a fire hazard. They can be very hot, causing burn injuries. Follow these simple tips and you will be on the way to safe grilling.

SAFETY TIPS

- » Propane and charcoal BBQ grills should only be used outdoors.
- » The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches.
- » Keep children and pets at least three feet away from the grill area.
- » Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- » Never leave your grill unattended.
- » Always make sure your gas grill lid is open before lighting it.

CHARCOAL GRILLS

- » There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- » If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- » Keep charcoal fluid out of the reach of children and away from heat sources.
- » There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- » When you are finished grilling, let the coals completely cool before disposing in a metal container.

PROPANE Grills

Check the gas tank hose for leaks before using it for the first time each year. Apply a light soap and water solution to the hose. A propane leak will release bubbles. If your grill has a gas leak, by smell or the soapy bubble test, and there is no flame, turn off both the gas tank and the grill. If the leak stops, get the grill serviced by a professional before using it again. If the leak does not stop, call the fire department. **If you smell gas while cooking, immediately get away from the grill and call the fire department.** Do not move the grill.

If the flame **goes out**, turn the grill and gas off and wait at least **5 minutes** before re-lighting it.

FACTS

- ! July is the peak month for grill fires.
- ! Roughly half of the injuries involving grills are thermal burns.

Fireworks Safety

As the July 4th celebrations begin we wanted to remind you that you cannot set fireworks off in the city limits. Not only are they illegal but very dangerous. The city will continue to enforce, in compliance with state law, fire and safety regulations within the city.
