The Mayor's Corner

Dear Residents,

In November 2019 during the Annual Conference of National League of Cities (NLC), I was elected to the Board of Directors. Six Texans hold key leadership positions with NLC. National League of Cities is a resource and advocate for 19,000 cities. It's an organization that empowers local leaders with strategies and problems solving skills. The NLC provided time to visit with legislators on Capitol Hill on March 10th to discuss several issues cities are facing today including sustainable infrastructure, workforce, reducing gun violence, and being provided with the latest coronavirus updates. During the coronavirus update, the request was made for better coordination and communication to all levels of government concerning COVID-19. Protecting you as residents is my first priority.

Finally, the members of council and I would like to thank the residents for their continued support throughout the year. Running unopposed during the general election was City Council Place #2 Bob Tullgren, Place #4 Ed Cimics and the mayor's position. The three of us will return to serve the community with experience and firsthand city knowledge to ensure that government works for its citizens. As we celebrate our 60th Diamond Anniversary all year long, council will strive to keep Live Oak a safe environment for many more generations to raise their families and continue to call Live Oak home.

You are always welcome to reach out to any of your council members or myself with comments or concerns at 210.792.7168. Remember, the best is yet to come! Together, we are happy to say Live Oak is "our town."

*Mayor Mary M. Dennis

National K9 Veterans Day 2020

In March, the Humane Society of Live Oak commemorated the service and sacrifices of our military and police working canines with a K9 Veterans Day reception. We would like to extend our appreciation to all visiting K9 officers, canines and everyone in attendance for making this year's event a success. A big thanks to Camp Bow Wow and RBFCU for the sponsorship towards this year's event. The crowd enjoyed hearing from the visiting K9 officers from Bexar County Sheriff's Department, Converse PD, Lackland JBSA Breeding Program representatives and Live Oak's talented working canines and K9 Officers Sanders and Wall. Each officer introduced their canine sidekick along with providing information about the dog's specialty. A very special thanks to Fire Chiefs Linc Surber & Steven Santana along with the fire fighters from B-Shift for the use of the fire station and the assistance during the event setup and breakdown.

Thank You Live Oak Residents

City administration, Mayor Mary M. Dennis and Live Oak City Council extend their appreciation and gratitude for your patience over the weeks and months during the COVID-19 pandemic. Our top priority is always the health and safety of the community and city employees. As we continue to work through this together as a community, we want to encourage everyone to take the necessary precautions to keep everyone around you safe and healthy. The city operations will continue with limited access to buildings to protect both the residents and staff members. COVID-19 RESOURCES HANDBOOK

Dear Friends,

We face a public health and economic crisis unlike anything we have ever experienced. In past few weeks, we have been instructed by federal, state, and local authorities to stay at home, wash our hands and practice social distancing. These measures ensure that we are not only protecting ourselves and our loved ones, but that we are protecting those who may be vulnerable in our community. I am inspired by your dutiful attention to these inconvenient restrictions and remind you that we will soon return our normal lives given your continued vigilance.

I understand that the impact of Coronavirus has not only affected our daily lives, but it has threatened paychecks, small businesses, and important community functions. The Coronavirus Aid, Relief, and Economic Security (CARES) Act, which I voted on last week, is a big step toward addressing those concerns. This wide-ranging economic rescue package provides rapid and meaningful assistance for individuals, businesses, and those responding to the pandemic on the ground.

This **COVID-19 Handbook** will help you better understand all the financial resources available for our community, such as critical federal funding sources to assist small businesses and local governments.

Celebrating 97 Years

The "Jewel" of Our Town

Some have said age is just a number. This "saying" is true for people over the age of 90. Meet Frances Albrecht Mayer, said to be the oldest Live Oak resident at the young age of 97. Frances was born on March 1, 1923, and still lives on what remains of her family farm. Her grandfather Albert Albrecht and grandmother Anna Beck planted their roots in Live Oak as farmers in the late 1800's. They built a two-bedroom, zero bathroom, farmhouse. Frances grew up in this farmhouse with her mother, father, 5 siblings and her grandparents.

Frances attended school at Our Lady of Perpetual Help Catholic School (OLPH) in Selma, Texas in the original two-room wood church. Before school each morning her dad would attach the horse to the buggy so the children could get to school, the oldest child would steer the cart and the horses were left at the corral at the school during the day. Frances attempted to tame and ride the family donkey on the farm but would find herself on the ground after many failed attempts. The summers were spent working on the farm, Frances taking care of the animals, feeding the pigs and chickens and collecting eggs each

Family farmhouse and first automobile

day, and long days of picking cotton. Frances completed school in 1937 and soon got her first job away from the farm. Frances said "she couldn't wait to go to work as a nanny on RAFB because they had running water and indoor bathrooms."

Frances enjoys recalling the many memories of back in the day. She told us about the time the family got their first butter churner, the entire family would sit on the porch at night and the children would argue over who's turn it was to churn butter. As you can imagine after a few months there was no longer arguing as to who would churn the butter first.

In many conversations with Frances, one can hear her speak fondly about her brothers and how proud she was of their accomplishments. Frances' brother Clarence Albrecht was the first Mayor to serve the residents of Live Oak until 1966. Her brother Milton owned and operated the first Ice House and grocery store off IH35 in Live Oak. Clarence, along with his brothers Milton and Elgin Albrecht, and Melvin Mayer, France's late husband, and other politically minded residents of the area were instrumental in incorporating Live Oak as its own city during the time when San Antonio was attempting to incorporate the land as its own. The group named the new

city "Live Oak" after the many majestic oaks that populated the area at that time.

For many years, Frances worked at the Cookie Company to put her three sons through Central Catholic High School, then would eventually retire from Alamo Heights School District. After retirement, Frances would begin a new chapter in her life by staying home to help raise another generation of her family, by caring for her great-grandchildren.

To celebrate Frances and her life's accomplishments, family and friends from nearby counties, to include her sons, her 7 grandchildren, and her 11 great-grandchildren all gathered at her home for cake and ice cream on March 1st. Frances' birthday wish was to simply enjoy her favorite holiday, Easter, and an acre filled with captivating bluebonnet and amazing spring weather. Family members say Frances may have celebrated her 97th birthday but being just three years from becoming a centenarian hasn't slowed her down or diminished her zest for life. One can still find Frances getting her hair styled weekly on Fridays, enjoying a meal from her favorite restaurant, and attending church on Sundays. Frances keeps busy by shopping with family members, and daily phone conversations with good friends while enjoying a cup of coffee. She especially loves the days when her

Francis & Melvin Mayer Wedding, 1941

friend Mayor Mary Dennis stops in for a visit. Mary fills Frances in on the latest updates about the city or exchanges travel stories from a recent trip. "I will always respect, love and cherish the close friendship that I have with Mary," said Frances.

It was an absolute honor to highlight the "jewel" of our town that we call Frances Mayer in this edition of the

Hometown News. Live Oak will always keep the Albrecht/Mayer family legacy alive and Mayor Mary M. Dennis, City Council members, and staff looks forward to celebrating her in 2021 at her 98th birthday! A special thanks to her granddaughters and Ms. Frances for bringing us down memory lane by sharing her life's special moments and stories.

Hometown Hero

FIGHT OAR DIE

50 days, 11 hours and 35 minutes. This is how long it took a crew of four veterans to row across the Atlantic Ocean in the Talisker Whisky Challenge. One of these men was John Fannin, United States Marine Corps Veteran.

John was born in 1986 in New Jersey but his parents moved back to Texas when he was just a toddler, settling into a home on Greycliff in Live Oak. John went on to attend Live Oak Elementary, Kitty Hawk Middle School

and graduated from Judson High School. He felt a calling and enlisted as an infantryman in the Marine Corps 3rd Battalion 7th Marines.

During his four year service, Fannin was deployed twice to the city of Ramadi, once in 2005 and again in 2007. When his time in the Marines was complete, John found himself to be adrift. He didn't quite know what he wanted to do or where he wanted to go in life, and he began to feel the effects of his combat military service. Suddenly, PTSD was very real and John was caught up in a pattern of helplessness which led to his attempting suicide. Fortunately, his story does not end here and John is a SURVIVOR. He reached out to the VA and began working on his mental health, fighting his way back and finding his place.

John pressed forward, graduating from Texas Lutheran University and became a volunteer firefighter in McQueeney. When Hurricane Harvey hit the Houston area, he immediately felt called to put his military skills and swift water rescue

certification to use. He had been in therapy for a while at this point and he said as ironic as it sounds, when Harvey hit, it gave him purpose and the opportunity for change that he had been seeking.

Change would certainly come as Fannin embarked on the adventure before him. Four strangers, thrust together for only a few weeks to train for one of the biggest events in their lives. On the water day after day with miles of ocean in front of them, John said you must make a commitment to just show up every day...the same in life. Some days you might row 75 miles and other days only 30, but slow and steady wins the race. Just show up EVERY DAY.

When asked why he would want to participate in something as grueling, as mentally and physically demanding as the Talisker Whisky Atlantic Challenge John said he felt like he had one more thing in life to prove; one more experience that would round him out and prepare him for the next stage in life.

He wanted people to know that if they are going through a hard time "There is a way out of this, there is hope, there is a beautiful life on the other side of your pain." Fannin says people will ask him how he knows all this, how he can be sure there is something better ahead and he tells them that he lived it and is here today as proof.

Precise Nutrition Paying It Forward

There is a great need for kindness in this world. Paying it forward is just one of the many ways you can show someone gratitude. During the Coronavirus outbreak, nurses, doctors and staff from Northeast Methodist hospital worked the front lines keeping patients healthy while also taking precautionary measures to stay healthy themselves. Sometimes during the chaos, we forget about the sacrifices and actions of our unsung heroes in the middle of it all. But not everyone forgot!

Local business owners from Precise Nutrition, Becca Stewart and Shaun Morton, put out a social media post asking patrons to join them in an act of kindness and “pay it forward” campaign. For each donation received, Precise Nutrition would be able to provide a healthy tea or shake to the local healthcare professionals to help keep them refueled. The campaign was a success and yielded \$665.00 in a very short period of time just for the first delivery. The delivery was well received by over 56 doctors, nurses and medical staff. They continued to raise money so additional deliveries were made to local first responders. During each of the deliveries, words were not necessary, the display of happy smiles from everyone said it all!

We are sure there were thousands of acts of kindness or stories about communities coming together during the trying times. But the compassion and generosity shown here in Live Oak by residents and businesses had a significant value when associated with an action like this. We thank our local doctors, nurses, hospital staff, EMS, firefighters, and police officers for standing ready for the welfare of our residents. Thanks to our businesses for being creative while providing limited services to the community. We especially thank Precise Nutrition and its patrons for the “Pay It Forward” campaign and the good it did for the morale of the healthcare professionals.

LIVE OAK

COMMUNICATIONS

From left to right: Chief Pue (Lt. at the time), Asst. Chief Hopper, Dispatchers Pat Mason, Pam LaTang, DPS Inspector for TCIC.

Live Oak Telecommunications THEN & NOW

Less than 65 years ago, police dispatch call centers that we see today didn't exist. From teletype communications to emails, text, and now real-time electronic chat, the technology that makes up the modern dispatch center has come a long way in relatively a short time. The startup of dispatch services for Live Oak's police and fire departments were provided by the city of Universal City for years. In 1981, Live Oak would establish a dispatch service center of their own with hiring three dispatchers to work shifts covering days, swing, and midnights. In 1988, the dispatch center relocated in what is now the Public Works building.

The new center would be equipped with two modern radio consoles, three fulltime dispatchers, and four part-time personnel. Live Oak would not only be able to provide telecommunications for Live Oak but also provided services to fire the cities of Selma, Converse, and Judson I.S.D.

Fast forward to 2003. Dispatch relocated again into the newly constructed fire department. The fire station remains Live Oak Telecommunications Center's location even today. The 2003 upgrade included being equipped with three consoles, adding a supervisor, and hiring a total of nine full-time dispatchers. As the technology

changed over time, the dispatch center received a few minor upgrades in 2011 with a complete new radio system/911 consoles and upgrades to the landline telephone system.

We are pleased to announce that in March 2020, the center welcomed new modifications to accommodate four brand new consoles. The consoles are designed and manufactured by a company who specializes in public safety environments. The consoles have all steel frame and panels that are outfitted with height adjustments desktops, personal comfort system with heat, air, and blue ambient lighting with desktop controllers. The work surfaces are height adjustable and made with ergonomic urethane with an added edge treatment. The glass etching adds a unique identifier to the newly upgraded Dispatch Center.

PublicWORKS

CONSERVATION

Conservation starts with you. It is easy to take this precious resource for granted. Please think about the many ways you can conserve in your daily use of water. Handheld watering is allowed any time, any day. When watering your plants, trees and lawn please follow the rules listed below:

Year-Round watering restrictions with an irrigation system or hose and sprinkler is permitted any day of the week any time before 11 a.m. or after 7 p.m.

- Stage 1: Irrigation or sprinkler watering 1 day per week at any time before 11 a.m. or after 7 p.m.
- Stage 2: Irrigation or sprinkler watering 1 day per week from 7-11 a.m. or 7-11 p.m.
- Stage 3: Irrigation or sprinkler watering only 1 day every other week.
- Last Digit of Address determines your watering day: 0 or 1 = Monday; 2 or 3 = Tuesday; 4 or 5 = Wednesday; 6 or 7 = Thursday; 8 or 9 = Friday. No watering on weekends.

Please check liveoaktx.net (bottom of Home Page) for the latest water restrictions.

FIREWORKS SAFETY

Fireworks and celebrations usually go together, especially during special events and holidays. However, they are not safe in the hands of consumers when used improperly. Fireworks cause thousands of serious burns and eye injuries each year. As Memorial Day and July 4th celebrations near, **we wanted to remind you that you cannot set fireworks off in the city limits.** Not only are they illegal but very dangerous. The city will continue to enforce, in compliance with state law, fire and safety regulations within the city.

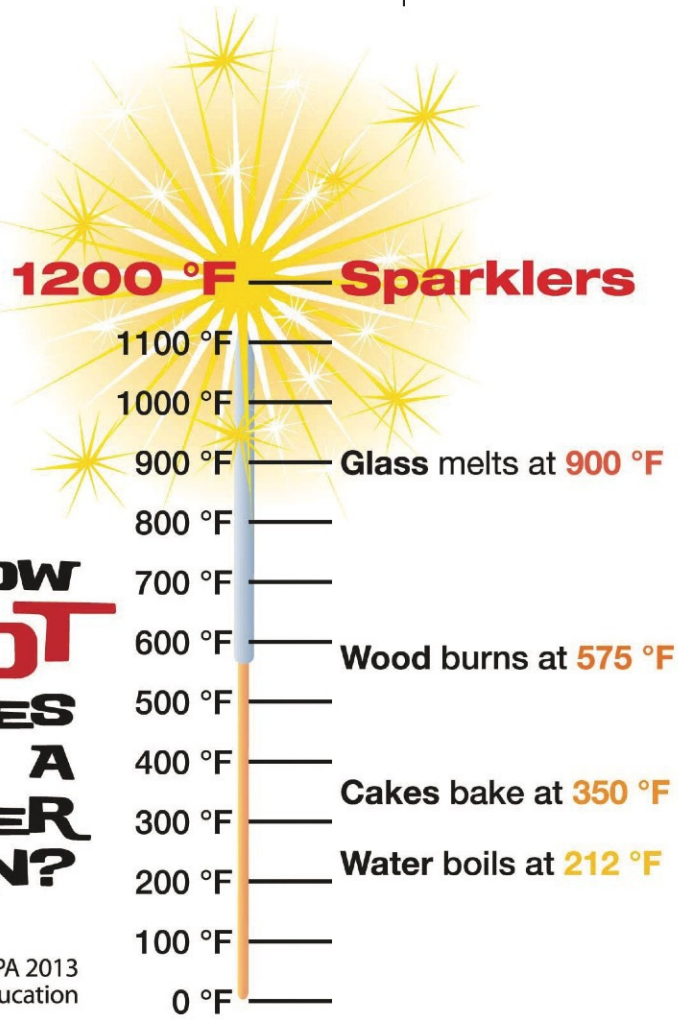

BE CAREFUL!

- **Be Safe. If you want to see fireworks, go to a public show put on by experts.**
- **Do not use consumer fireworks.**
- **If you are discharging fireworks within a designated safe zone in the county, use common sense.**
- **Keep a bucket of water, wet towels or garden hose nearby.**

Have a safe 4th of July.

CODE CORNER

Friendly Reminder

Just a friendly reminder from the City of Live Oak Code Enforcement office to please keep all trees hanging over streets cut to a minimum of 13.6 feet in height, and over sidewalks cut to a minimum of eight (8) feet in height. Section 302.4 of the City's Code of Ordinances does not allow trees to grow below these heights listed.

We want to ensure that our citizens have plenty of room to walk and navigate through Live Oak and that any city services can navigate the streets safely and quickly!

Tip: If you are unsure of the height of your branches over the sidewalks/streets, please give us a call and we would be more than happy to check the branch heights. The Code Enforcement office can be reached at (210) 653-9140 ext. 2245.

From your friendly neighborhood code compliance office, thank you for your help and have a great spring!

the
LIVE OAK LOCAL
 SHOPPING • RESTAURANT • BUSINESS GUIDE

THIS IS WHAT OUR RECENT WINNER HAD TO SAY...

Question 1: How often do you use the Live Oak LOCAL?

I use the live oak local to keep up with any new area business that are opening up.

Question 2: What category in the LOCAL do you reference the most?

Having the LO Local is super helpful for finding close business.

I mainly use it for Restaurants but also when I'm looking for a medical specialist.

Question 3: Where do you keep your copy of the Hometown News?

We keep it on our coffee table for easy access!

Question 4: What do you like best about the magazine?

I love seeing what's new in town but I also love reading the feature stories and helping us keep our calendar up to date with things like bulk pickup!

Question 5: What is your favorite Live Oak business?

Our family's favorite LO Business is Camp Bow Wow! The staff is fantastic and they love on our Lady Sadie when we can't. Our dog Sadie loves to spend her days hanging out with all the other dogs, especially on rainy days when she would otherwise be cooped up inside. The Bow Wow staff takes such good care of Sadie when we are out of town as well and we never have to worry about her because we can check in on her via their camera system at anytime! It's truly Sadie's home away from home. Honorable mentions include Biff's Burgers, Las Palapas, Dunkin' and 54th Street are also places we love to get a bite to eat.

Answer the above questions in your own words and you could win!

Why Shop Live Oak?

By choosing to shop, dine and entertain locally, you and your community benefit in many ways:

STRENGTHEN ECONOMY

Strengthen the Economy and LOWER TAXES – Is there any bigger reason? A half cent of all city sales taxes are applied to buy down our residents and businesses property taxes.

LOWER TAXES

BUILDS COMMUNITY

Build Community – City sales taxes funneled to the general fund allow additional police forces, improvements to streets and infrastructure and upkeep of our wonderful park system. In addition, shopping locally allows you to interact with the locals, enjoy the public space surrounding the community and help give a unique identity to the City.

SUPPORT

They Support YOU – Many of our local Live Oak businesses support our community and service events that bring joy to so many. Shopping locally is your chance to say “thank you!”

Don't forget to support your local business and Shop Live Oak!
