# The **MAYOR'S** CORNER

Mayor Mary M. Dennis

Dear Residents,

There are as many traditions for the holidays as there are those who observe them, but a common thread is the time spent with loved ones, the sights and smells that rekindle holidays past, and the warmth and hope that comes from random acts of goodwill. This holiday is a reminder of the power that Thanksgiving and Christmas has in bringing out the best in the human spirit.

Take a moment to reset the clock and to appreciate the simplicity of life and the value of those around us. Somewhere there is a family in need, a senior or neighbor who needs a helping hand or a loved one who wants only the simple gift of time. Make it the season for reacquainting with family and friends, faith and community traditions.

I want to personally thank everyone who contributed to the Fire Department's "Holiday Food Basket" pantry and to the Police Department's "Blue Santa" program. Your generous contributions provided many families in our community with a memorable holiday. Many thanks go out to the volunteers and city employees who work tirelessly to coordinate the program efforts. This effort makes both programs very successful and rich in community tradition.

We hope you join City Council, city staff and Mr. and Mrs. Claus during the annual "Christmas in the Park" event on December 15th in the main City Park. We will have a variety of activities for the children, lakeside pictures with Santa, holiday cheer and much more for everyone to enjoy! The members of Council and I hope that we have made you proud with our work this year on your behalf. We look forward to 2019 and hope you all have an enjoyable holiday! As your Mayor, I am always available for your comments or questions at 210-792-7168 and remember, the best is yet to come!

Happy Thanksgiving and Merry Christmas!

*Mayor Mary M. Dennis  
& Council*

## 911 Remembrance Day

This year's 911 Remembrance Day ceremony was graciously hosted by Northeast Lakeview College at the Performing Arts Center. During the ceremony, former Live Oak Fire Chiefs, Charles Foster and Gerry Galindo were honored. Special thanks to Dean Will Fanning and the Northeast Lakeview staff for honoring those lives lost in the 911 attacks and the acknowledgement to the First Responders that serve the public and for their commitment to our safety every single day.

## National Night Out

McGruff, Live Oak Police Officers and the Live Oak Fire Fighters and First Responders were out making stops at block parties throughout the city's neighborhoods during the National Night Out event. The Live Oak Police Department would like to thank and acknowledge all those who participated in the event this year. You made this a great evening for all. A special thank you to **Target, RBCU and MADD** for their sponsorships this year! Without you, this event would not have been possible!

## ShinDig on Shin Oak

The rain didn't stop concert goers from having a wonderful time at this year's ShinDig! We would like to thank our sponsors, Veda Medical, Loyalti Services, Raising Cane's, RBCU, Waste Management and food vendors, Texas Roadhouse and Houlihan's for serving up delicious food for concert goers during the SPAZMATICS performance. A special thanks to **The Dawn Dear Agency with Farmers Insurance** for sponsoring a live broadcast of the event on 930AM KLUP with Roy Holley! We appreciate all of you for coming out in the rain and hope you all had a great time!

## Movie in the Park

Movie in the Park was dubbed "ShinDig 2.0" due to the cancellations for portions of the ShinDig activities in September. The carnival rides, Zoofari and midway games were enjoyed by all movie goers making it the largest crowd to date for Movie in the Park. A big thank you goes out to our midway game sponsors, **Raising Cane's, Veda Medical, The Dawn Dear Agency of Farmers Insurance and Loyalti Services** for their continued support!

DAWN DEAR

## Live Oak Local Networking

Dawn Dear with The Dawn Dear Agency hosted the September Live Oak Local Networking event. The Economic Development Corporation would like to thank Ms. Dear and her staff for their hospitality and the opportunity for other businesses in attendance to network with each other along with city staff and Liane Garrett from MadWomen Marketing.

## Halloween

A huge "thank you" to Max Kitten and his associates from Live Oak's **AT HOME** store for the "spooktacular" display of inflatables at this year's Halloween Family Fun Night! Each year, AT HOME sponsors the display at the corner of Shin Oak and Oak Terrace to add to our festivities. We look forward to their annual transformation of the City Hall lobby for the Christmas season with this year's theme of a "Cowboy Christmas." Stop by AT HOME and check out their beautiful seasonal decor!

## Scarecrow Invasion

The 2018 Scarecrow Invasion winners were...

- 1st Place** - Leslie Shoaf Agency of Farmers Insurance
- 2nd Place** - San Antonio Model Railroad Association
- 3rd Place** - Live Oak Family Dentistry & Dunkins Donuts in a TIE!

Congratulations to all of our participants! This year's Scarecrow designs were not only clever but very unique. Thanks to all who participated this holiday season with some good ole fashion scarecrow fun!

## Coffee With Cops

# OPERATION GRINCH

The Live Oak Police Department will be conducting Operation Grinch in retail areas of the city this Christmas Season. We will be out in force with high visibility and undercover units patrolling these areas. Your safety is our concern. Remember that we also need your help. A partnership between citizens and police is the best crime deterrent. If you see criminal or suspicious activities please report it to the Live Oak Police Department at 210-653-0033 or call 911 in emergency situations. **Don't let the Grinch steal your Christmas.**

The months of November and December bring the holiday season. Family gatherings, traveling and busy schedules are the norm for many people during this time. Even though many of us become very busy during this time, it is important to remember that the safety of your family and home are critical.

If you are traveling, remember to have a friend or neighbor watch your home and pick up any newspapers or packages that have been delivered to your door. If possible, have interior lights on a timer to keep the appearance of activity in the home. **Also, contact the Live Oak Police to place your home on the "Out of Town Watch" list.**

While out shopping be aware of your surroundings. Watch for suspicious behavior or activity such as people who may be watching you leave your vehicle or a business, or someone looking into parked vehicles. Be sure to secure your vehicle. Make sure your vehicle is locked and any valuables, bags or packages are out of sight. If you are out at night be sure to park your vehicle and walk in well-lit areas.

# Blue Santa

## BLUE SANTA is coming to town!

**LOCAP** will soon be assisting the Live Oak Police Department by helping to bring Blue Santa to Live Oak this holiday season! Be sure to look for him, and the Grinch, at the Forum Shopping Center weekends beginning right after Thanksgiving. The Blue Santa program accepts donations to help families in need during the holidays.

Donations received will go toward assisting Live Oak families. For more information, or to get involved with **LOCAP** (Live Oak Citizens Assisting Police), please contact the Live Oak Police Department at 210-945-1700.

**LOCAP** holds a work party to sort, wrap and label gifts purchased with donations for those children who might not otherwise have a present to open on Christmas Day. There is an application process and a deadline. Families may pick up applications at the Live Oak Police Department. A date will be set for the families to come visit with Blue Santa, enjoy refreshments, and receive their presents. For more information on the Blue Santa, or to make a donation, please contact the Live Oak Police Department at 210-945-1700.

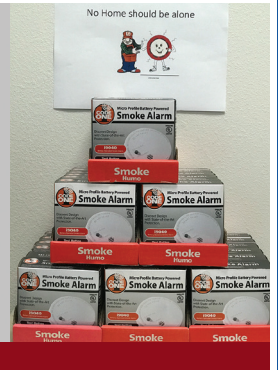

Membership in **LOCAP** (Live Oak Citizens Assisting Police) is made up of Citizens Police Academy alumni. The 12-week free course is typically offered once a year in the spring. For information on this and other activities in which **LOCAP** participates, please send an email to [LOCAP@liveoak.tx.net](mailto:LOCAP@liveoak.tx.net).

## Free Smoke Detectors!

**LOFD and the American Red Cross have teamed up to offer FREE smoke detectors, including installation, to Live Oak residents.** With the "No Home Should Be Alone" project, LOFD believes smoke detectors has been a key factor in the prevention of fire-related deaths throughout the years. If you have questions about the program or would like to participate in the program, contact the **LOFD at 210-653-9140, ext. 2198.**

## Live Oak First Baptist Church Celebrates 40th "Continuing the Good Work"

Live Oak Baptist Church began as a humble vision by a group of Christians in 1974. The group began meeting at Live Oak Elementary, now known as Ed Franz Elementary, as a church home until land could be purchased for a new church. That same year, the Old Mill located at 109 Gibbs Sprawl in Converse would be obtained for a temporary meeting site. The Old Mill building was cleaned, renovated and furnished with an old pulpit from Palm Heights Baptist Church and odd collections of furniture provided

by members. Schertz Baptist Church would get involved by loaning them folding chairs to help with seating during the services. During their first week, the church would require a bank account to conduct daily and weekly business transactions. In opening the bank account, the church would require a name. At that moment the members decided to name the church, Toepperwein Baptist Mission.

The perfect land was purchased on Toepperwein Road in 1975 under Pastor Gilbert Kendrick's leadership and the ground breaking ceremony was celebrated on February 8, 1976. The land acquired was located at 11560 Toepperwein Road where the church stands proudly today. Construction at the new site would begin in the spring of 1976. Church members worked tirelessly throughout the evenings and weekends to keep the construction and labor cost to a minimum. After two years

into their vision, the "worship center" was completed and the first service was held on August 8, 1976. The San Antonio Baptist Association and the pastor at that time made the vision a reality by having it constituted and dedicated on September 10, 1978. The name was then officially changed to Live Oak First Baptist Church. Over the years, membership continued to grow and additional buildings would be necessary. Between 1980 and 1993, the church has continued to add new buildings such as the Education building and the Fellowship Hall, and enlarged the Sanctuary. Upon completion of the new and renovated buildings, the church would be completely debt free.

Throughout their history, Live Oak First Baptist Church has continued to support and empower their followers by co-sponsoring the establishment of Woodlake Baptist Church, Judson Road Baptist Mission, and Cibolo Valley Baptist Church. The Church has also sponsored Grupo Gratitude (Spanish AA) for the past twenty years along with the Boy Scout and Cub Scout Troops #239 since 2014. On Sunday, September 16th, Pastor Donald Valenta and members of Live Oak First Baptist Church commemorated their "good work" started over 40 years ago with a huge anniversary celebration. The church grounds were filled with music, fun activities, food, guest speakers, and special guests from the San Antonio Baptist Association and the Baptist General Convention of Texas. A proclamation was presented to Pastor Valenta by Live Oak's Mayor Pro-Tem Ed Cimics and Councilman Bob Tullgren during the celebration. The year ahead will be a year of joy, enthusiasm, growth, and achievement for the mission-minded church and its members. We congratulate them for their impressive history, pure nostalgia and their committed congregation making a difference in Live Oak every day.

## Live Oak Honors Rogen's Gifts

Each year on the Saturday after Thanksgiving, we celebrate and honor our small businesses during Small Business Saturday. This special holiday has a simple message, shop local! Why shouldn't we celebrate the enterprise and hard work exemplified by our small business owners who take the risk of following their dreams? This year, Rogen's Gifts was selected as the recipient of the Small Business Saturday award. Mr. & Mrs. Robert Gentner, owners of Rogen's Gifts will represent all of Live Oak's small business owners at the November 13th City Council meeting as they receive this year's award.

After completing a successful career in the United States Army at Fort Polk Louisiana, Robert Gentner and his wife, Ok Hui relocated to San Antonio. Their passion for the Native American culture led them to start their own business selling Native American arts and crafts, sterling silver and turquoise jewelry and other items from the Apache, Navajo, Blackfeet and a dozen various tribes. They opened their shop in Live Oak on March 1, 1996 located at 8145 Pat Booker Road. The Gentners are a perfect example of hard working people following a dream or a passion, loving what they do and keeping a small business viable because of consumers like you. Gentner said "we will be open until the Indians stop making crafts or my health demands that we close. God willing, neither of which should be happening soon." If you are looking for a unique gift for the person who has everything, Rogen's Gifts is the place for you.

Watch for special offers from many of our small businesses during the Small Business Saturday holiday. This is a perfect opportunity for the businesses to get creative with their marketing and others to offer just simple customer appreciation perks. We want to remind everyone to shop local, shop small and shop Live Oak often.

## RBFCU Opens Administrative Service Center III

Since its inception in 1952, Randolph Brooks Federal Credit Union (RBFCU) has grown to serve over 700,000 member accounts across Texas providing savings, checking, loans and other services. In 1987, RBFCU built their corporate headquarters in the heart of Live Oak. During their thirty-one years in the City,

RBFCU has expanded with three Administrative Service Center buildings with the last of the three being completed in September located at IH 35 and Loop 1604. The newly constructed Administrative Service Center III (ASC III) is a 192,000 square foot facility with five stories of office space to accommodate the credit union's fortunate growth and increased efficiency for staff. ASC III will provide for 400 additional jobs to RBFCU and the region. In addition, the new building will allow for a dedicated staff training area and a more member-friendly experience. We greatly appreciate RBFCU's commitment to Live Oak and look forward to their continued partnership and growth.

## Blue Sprig

Their mission is simple, "to change the world for children with autism." Live Oak is now the new home of Blue Sprig, a premier provider in Applied

Behavior Analysis (ABA). Blue Sprig is conveniently located off of Toepperwein Road at 7608 Narrow Pass. On September 27th, staff, City Council and Boards and Commission members alongside the staff of Blue Sprig celebrated the "Grand Opening" with a ribbon cutting ceremony. Blue Sprig has a team of professionals that will work to create a treatment plan that best suits your child's unique needs. Join us in welcoming Blue Sprig to the neighborhood!

## QuikTrip Kitchens

The Oklahoma based chain of convenience stores and travel centers found its way to Live Oak in October and is now serving the area at Loop 1604 and Lookout Road in the Gateway Shopping Plaza. QT is famous for serving weary

travelers for over sixty years and now you can enjoy the made fresh to order food, grab and go foods, an array of frozen treats or the convenience of filling up your gas tank on

your way to work or home! Live Oak's QT is the first to add a Chorizo Pizza and breakfast tacos to its daily menu. We are proud to announce the Gateway QT location is one of two QTs planned in our city and is the first store to be built in a new design model. The second location is currently under construction at Randolph Boulevard on the property that once was home to Drive Time dealership. On October 6th, QT at Gateway opened its doors to the public by celebrating with a grand opening and ribbon cutting ceremony. The day was filled with music, great food and QT giveaways! Mayor Mary Dennis, City Council, Boards and Commission members and city staff welcomed the QT family to our wonderful community.

## Alavie Interventional Pain Management

Making its debut this November, Alavie Interventional Pain Management is now offering services for the evaluation, diagnosis and treatment of acute and chronic pain conditions in Live Oak! Dr. Christian Samuelson has been practicing Interventional Pain Management in both Louisiana and Texas and is skilled in the use of medications and interventional techniques for the diagnosis and treatment of pain. Alavie Interventional Pain Management's mission is to reduce your painful symptoms and improve your overall quality of life. The center will provide treatments for a variety of pain syndromes: headache, joint pain, spinal pain, sciatica, cancer pain, peripheral and diabetic neuropathies, and chronic abdominal pain to name a few. If you feel that your pain is significantly affecting your life, or is going untreated, please contact them today at 12702 Toepperwein, Ste. 104 in the I35 Plaza. You can visit [alaviepain.com](http://alaviepain.com) for more information. Congratulations and welcome to Live Oak Dr. Samuelson!

# Construction Around Town!

## Camp Bow Wow

The month of August was very busy for the city. Multiple projects commenced breaking ground from one end of the city to the other. Live Oak will soon be home to one of the "largest pet care franchise and leading provider of doggy day care, boarding, and training centers in North America!" In August, Diamond P Construction began laying the infrastructure and construction of the 11,600 square foot facility at 13588 IH 35N next to the Woodspring Suites. The new facility will provide 113 boarding kennels, 4 luxury suites, light-grooming services, 3 indoor play areas, a training room, tea-cup indoor and outdoor play areas and 4 outdoor play areas for larger breeds. For pups needing something in addition to day care, you can sign your pup up for camp enrichment activities. The play areas will allow multiple play groups to fit each dog's size and energy levels. Live Oak's Camp Bow Wow will soon provide your pet with the premier pet care that your fur-babies deserve while you're at work or off on a short vacation. Keep watching our Facebook page and website for updates and completion dates.

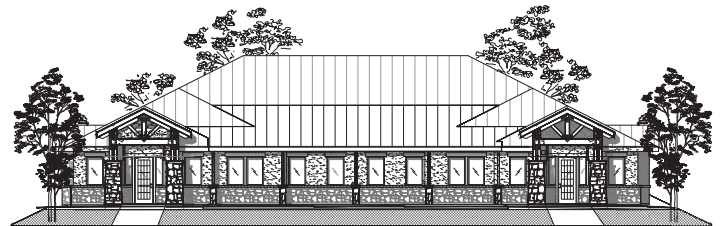

## Aspire at Live Oak

Introducing Aspire at Live Oak, where comfortable homes and modern conveniences are a top priority. Mayor Mary Dennis, City Council members and city staff gathered on September 26th in celebration by hosting a ground breaking ceremony to kick off the project. Aspire is a "full market rate" multi-family apartment community comprised of 240 units of "signature living" coming to the corner of Shin Oak Drive and Oak Terrace and down to the corner at Palisades Drive. Galaxy Builders and their crews began construction

ASPIRE AT LIVE OAK  
LIVE OAK, TEXAS

in September with an anticipated completion date fall 2019. Some of the community amenities Aspire at Live Oak will offer its residents include a Bark Park, covered parking, garage parking, on-site storage, fitness studio, and a Resident's Clubhouse with exclusive and complimentary amenities such as Wi-Fi, common areas, HD TV and more. The apartment home amenities are far too many to mention! But, a few of the top rated features are USB ports in each unit, granite countertops, all appliances are provided, patios/balconies, designer finishes and the open concept layouts. After the construction dust settles, we look forward to welcoming the residents at Aspire of Live Oak as our new neighbors.

Serenity Oaks Assisted Living

MAULDIN  
ARCHITECTS

## Serenity Oaks Assisted Living

Serenity Oaks Assisted Living will soon be located at 6684 Randolph Boulevard. The plans for the facility will involve completing a tenant finish-out on an existing shell for the first phase then soon after will begin construction on the second building that will mirror the first building. Each of the buildings will be 6,136 square feet and will house up to 16 residents along with a beautifully landscaped and fenced courtyard nestled in between the two buildings. Serenity Oaks will offer programming that emphasized social, intellectual, spiritual and physical needs to help residents achieve their personal goals. Serenity Oaks will be committed to the residents' safety, health and well-being. Keep watching for construction updates on our Facebook page.

# Making Dreams Come True

## Jr. Lifeguard For A Day

Four year old Malachi Smith is more than the average neighborhood kid you see enjoying the city's Municipal Pool during the summer. Even though Malachi enjoys cooling off in the pool with his mom or enjoying a day of playing baseball, he would rather hang out with the Live Oak Lifeguards. The expression on his face while talking or just being in the presence of the lifeguards is priceless and brings so much joy to him. Crystal Smith, Malachi's mom enjoys watching her son soak up the attention they give him.

Crystal added that even after they return home, Malachi can't stop talking about his friends, the Live Oak Lifeguards. She said that he dreams of one day being a lifeguard just like his favorite guard, Collin Cameron. Near the end of this year's pool season, Courtney Weese, Recreation

Coordinator, observed Malachi following Collin around the pool and mimicking his actions while performing his lifeguard duties. Courtney and Collin collaborated with his mom to surprise him with a lifeguard whistle, t-shirt, a hip pack and the title of Jr. Lifeguard for the day. Malachi enjoyed the fact that he now looked so much like the lifeguards that he had admired all summer long. He was able to sit in the lifeguard stands, hold the rescue tube and even take his official position at the top of the slide. Although the joy was evident on his face, what Malachi doesn't know is that he brought lots of smiles to the lifeguards.

"My favorite memory about the day will always be Malachi's smile", said his mom. "Courtney and the entire lifeguard staff are amazing and I thank them for making one of my little boy's dreams come true."

We hope the impact that day made will be a memory that stays with him forever and that he applies for a lifeguard job as soon as he's of age.

# Announcements from the Fire Dept.

## Rolling out THE IGNITOR

The Live Oak Fire Department is proud to introduce the newest Fire Apparatus to the citizens of Live Oak. Our 2018 "Ferrara Ignitor" is a state of the art custom rescue pumper. This truck carries 750 gallons of water and 30 gallons of "Class-A" foam and can pump at the rate of 1500 gallons per minute. Adding the capability of firefighting foam to the department, it is sure to help our firefighters mitigate any firefighting incident thrown at them. This rescue pumper carries medical Advanced Life Support equipment and serves as a backup medical engine for our citizens. Its versatility doesn't stop there though as it will respond to accidents to help firefighters perform vehicle stabilization and patient extrication utilizing a variety of rescue tools and equipment. It is also equipped for high and low angle rescues, structural collapse rescue, trench rescue, swift-water rescues and Hazardous Material incidents. New required safety features include a roll cage, air bags, roll over protection plus side and rear cameras. The build of this apparatus has been in the making for over a year by a committee of firefighters assembled under former Fire Chief Charles Foster. This truck was built by the Ferrara fire truck company in Louisiana, as they came in with the lowest price, a reputation of quality construction and durability, and a local service center to handle any future repairs or warranty issues.

Mayor Mary Dennis made a special trip to the fire station to view the pumper the week it was delivered. With the

assistance of crew members from C-Shift, she was one of the first people to sit in the driver's seat and admire its grandeur. "I'm confident that Chief Surber and the Live Oak Firefighters have selected the most adequate apparatus to serve our citizens and the region during a time of need," said Mayor Dennis. Be looking for the Ignitor on a street near you!

## Consider a Residential Knox HomeBox for Christmas

If you know someone in Live Oak that lives alone and may have difficulty in getting to their door due to a fall or medical issue, consider giving a gift of access. Fire and Emergency Responders now can use the well-known Knox keybox system to get access to a residence by utilizing a key stored in a key safe on the front of the house. These impenetrable boxes made of high grade steel are nearly identical to the Commercial Knox Boxes used by businesses throughout the City of Live Oak. The low cost Residential HomeBox allows the local fire department to secure a house key for quick access in an emergency, which will prevent costly damage due to forcing a door or window open to gain access to the inside of a house. It's a peace of mind for a person that lives alone and to a neighbor or family member that comes by and doesn't get an answer at the door of a resident. Concern for the welfare of the resident can cause the desire to check inside the house to make sure everyone is okay. Help prevent unnecessary damage by getting a residential Knox HomeBox for someone who needs it for as little as \$167.00. Remember, your local Fire Department is the only one that can access your home. To learn more, visit [www.knoxhomebox.com](http://www.knoxhomebox.com) or call 1-855-438-5669.

# Meet Your ACO's

## **Terry Phillips**

Terry comes to Live Oak from Philadelphia, Pennsylvania. He moved to Texas with his wife Mary in March 2012 and began working for Live Oak Animal Control on Valentine's Day of 2013 as a Supervisor. Since 1975, Terry has worked with and cared for animals during his career. He spent 27 years in Pennsylvania at the Pennsylvania SPCA, then 10 years with the City of Philadelphia's Animal Control division and retired from both entities. Terry looks forward to finishing his career with the City of Live Oak. His wife Mary once said, "Terry had a calling and his love for animals is what led him to what he chose as a career. It was what he was meant to do."

## **Carolyn Pelkey**

As the newest member of the Animal Control team, meet Carolyn Pelkey! Carolyn moved to Texas three years ago from a small town in California. During the past three years in Texas, Carolyn worked in a boarding facility and for the city of San Antonio Animal Control. She enjoyed working for the city of San Antonio but found herself missing the small town atmosphere. So, Carolyn began her search for the perfect sized city and the perfect job that would best suit her. In September, she would find that perfect sized city and job in Live Oak. Carolyn stated, "I'm very excited to work for the city of Live Oak alongside two great fellow Animal Control Officers."

## **Derrick Francis Jr.**

Born and raised in the beautiful city of Live Oak in 1984, it seemed very fitting for Derrick Francis, Jr. to apply for the job of Animal Control Officer when a position became available in 2012 right here in his hometown. Derrick was a perfect candidate for the job and was hired immediately. He finds joy in the opportunity of working with and finding

homes for the stray and lost animals but considers his biggest success story being the father of two girls, Alexis and Hailey. Prior to working for the City, Derrick worked at the Family Pet Hospital of Stone Oak in San Antonio as a Boarding Tech/Technician's Assistant. "I love what I do and I love the City that I work in. It's always great to find a career you enjoy while receiving the support of your family, friends and the City behind you" Derrick said. Look for Derrick's contagious smile in photos on our Facebook page.

We are proud to have the opportunity to highlight our Animal Control team for the hard work and the love they give to the abandoned, rescued or lost animals that come into the facility. It's wonderful to see the positive leadership from Terry and the dedication and commitment of Derrick and Carolyn to our community. If you or your family are looking to adopt a pet, the ACO team will gladly introduce you to any of the friendly animals ready for adoption and a fur-ever home.

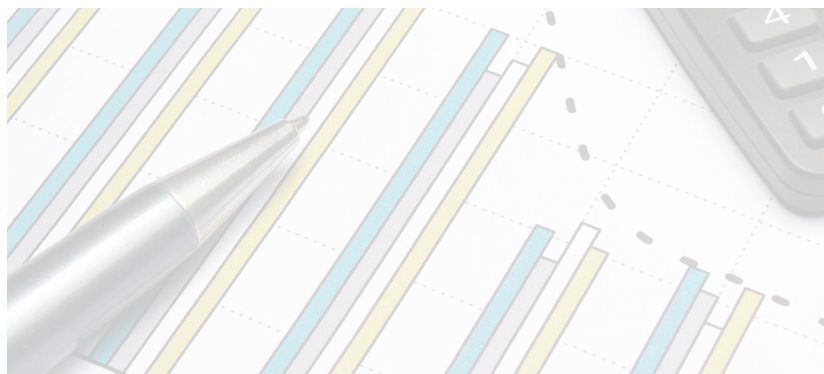

# Announcements from the Utilities Dept.

## Winter Sewer Averaging & Why?

Have you ever found yourself sitting around a table of friends and the topic of "Winter Sewer Averaging" pops up for discussion? Probably not, but it does have a significant impact on your water/sewer bill. Well, let's get you informed.

## What Is Winter Sewer Averaging?

Winter sewer averaging is the process by which the city determines the amount of wastewater your home generates during the winter months for the basis for your wastewater charges. The City billing system calculates the average volume of water that you use during the winter months and then utilizes this three month average as the basis in determining your wastewater bill for a 12 month period.

The City of Live Oak Utility utilizes the months of December, January and February to determine this amount. This averaging process is a standard practice and produces a fair and accurate consumption during the months when most of the water that is used is conveyed to our sewer system. Typically there is less lawn and tree watering, pool filling, recreational water use and car washing during those months so it is logical to think that the water that issued during those month go into the sewer. This three month average then becomes the basis for your sewer charge on your utility bill during the year beginning on October 1. The next winter the monitoring starts over.

## Does Conserving Water In The Winter Actually Save Us Money All Year Long?

This is a definite "yes". Using less water during the sewer averaging period will result in a corresponding lower wastewater bill throughout the entire year. Here are ways to reduce your winter time water use and consequently your monthly wastewater bill:

### 1. Conserve water in traditional ways –

\*Low flow toilets, turn water off when not in use. Limit shower time. You can find many ways to conserve water online at \*\*SAWS.

### 2. Fix all leaky fixtures –

This one is a mundane tip but leaks are a major culprit of unintentional water use in our homes.

### 3. Don't wash your car at home –

Many car wash facilities use re-use water.

### 4. Turn off your irrigation system –

Your landscaping probably won't need or will need less water during the winter months since the plants will be dormant.

## Know Your Brush Pick Up Zone

Waste Management provides brush pickup for the residents of Live Oak once per month. The City is divided into two zones, Gold and Green:

**Gold Zone** - Collection of the Gold Zone begins the first Thursday of every month. Area begins at Judson Road and IH 35 and includes Retama Hollow, Brentwood Oaks, Bridlewood and Lookout Road. Also includes original Live Oak North of Leafy Hollow.

**Green Zone** - Collection of the Green Zone begins the third Thursday of every month. Area includes all of Woodcrest and original Live Oak South of and including Leafy Hollow.

Waste Management will pass through each street only once, all brush must be placed curbside prior to the first day of scheduled pickup. The tree and shrub trimmings must be less than or equal to 12 inches (12") in diameter and the pile may not exceed 12 feet (12') in length, 5 feet (5') in height and 5 feet (5') in width.

In addition to monthly brush pickup, Waste Management will collect brush that is cut and bundled on your second regular trash day of the week. Bundles may not exceed 4 feet (4') in length and 35 pounds in weight per bundle. As a reminder, Waste Management is not responsible for the collections of work completed by contractors. Tree removal and extensive tree trimming is the responsibility of the homeowner. For additional questions, please call Waste Management Customer Service at 800-800-5804.

## 2018 Arbor Day Event

The Live Oak Village Garden Club and the City of Live Oak Tree Care Board will host the 2018 Arbor Day event on Friday, November 2, 2018 at located at Ed Franz Elementary School. We are looking forward to teaching the kids the importance of trees!

## Trout Fishing

In December and January, Rainbow Trout will be stocked in the Live Oak Pond by the Texas Parks & Wildlife Department. The pond is adjacent to the lake; enter from the City Park Lake access at Lone Shadow/Lazy Forest Dr. Corn kernels, garlic cheese, and salmon eggs make great bait. Appropriate License and bag limits apply. Check Marquees for fish arrival dates.

## Household Hazardous Waste DISPOSAL

Do you have old paint, pesticides, herbicides, batteries or fluorescent light bulbs; electronic waste such as computers, monitors and laptops, that need to be disposed of? Live Oak residents please call 1-800-HHW-PKUP (1-800-449-7587).

## IKEA Construction

By now, everyone has noticed the beautiful commanding presence of the IKEA pylon sign and the Town Center's stonewall main entrance. How exciting! We are so looking forward to the new businesses and jobs coming in to our city and the convenience of shopping, dining, and entertainment they will bring.

Of course with new builds come construction inconveniences. We are keenly aware of the extra noise, mess, dust and other situations new construction can generate. Be assured that we are trying to minimize any negatives for our residents and out of town guests. Having the finished product in mind, we are working hard to accomplish our goals with as little inconvenience to our residents as possible.

As construction progresses, you will also notice some changes to roads affected by the Live Oak Town Center location such as new entrances and internal roadways within the Town Center. There will be new traffic lights

placed at the entrance to the Live Oak Town Center as an extension of Pat Booker Road and the secondary entrance located in the intersection of Loop 1604 access from and IKEA-RBFCU Parkway. The road contractors will be working closely with TX DOT engineers on this project. The City will keep you posted of any lane or road closures on Facebook and on the City's website.

If you have any concerns about the construction site or permitting questions in general, please contact our office, Monday-Friday, 8a.m. - 5p.m. at 210-653-9140, ext. 2244.

## Code On Patrol

The heat in South Texas is stuff of legends and this year was no exception. During the summer, we endured consecutive days with temperatures in the triple digits with humidity to make it even more oppressive. Unfortunately, many of us have work to do that requires us or hired contractors to be outside in the heat, rain or wind and we seek relief or shelter in the form of a pop-up canopy. These nifty structures are inexpensive and easy to erect, but they are meant to be temporary only!

Our city ordinances require that structures such as pop-up canopies be taken down each day after use. The typical activity taking place under these canopies may be automotive repair or contract work being completed around your home. Having these canopies deployed in the front of the house lends to storing items under them for extended times, which is a violation of our sanitation ordinance. We all strive to live in a community that is aesthetically pleasing and inviting to potential future residents. Let's all do our part to help keep our city looking beautiful.

## Helping Protect Our Community From Flooding

With the wetter than average ending months of last year, and the anticipated hurricane activity that could impact the Texas coastlines, we would like to take this opportunity to remind you of the assistance that the city of Live Oak provides to the residents to help manage their floodplains. The City stands ready to research floodplain encroachments on properties within the city and will happily meet residents at their property to discuss ways in which they can alleviate some of the risk involved with floodplain encroachment. We also have an active program to which our drainage channels are inspected after each significant rain event. In addition, our building official, Ken Steiner, is available to assist residents to find solutions to mitigate localized flooding issues within our neighborhoods and may be reached at 210-653-9140, ext. 2250.

If your property is near a drainage ditch or waterway, please help do your part by keeping the area free of brush and debris, and please know that Live Oak actively enforces our ordinance governing the illicit and improper dumping into our drainage channels. For questions concerning floodplains, please don't hesitate to contact City Manager Scott Wayman at 210-653-9140, ext. 2261 or you may visit the FEMA's flood map service center at [www.msc.fema.gov/portal](http://www.msc.fema.gov/portal) or [www.bexarfloodfacts.org](http://www.bexarfloodfacts.org) for the latest flood maps.

## REASONS TO BIKE, WALK, BUS, OR CARPOOL TO WORK OR SCHOOL

[WWW.AACOG.COM/COMMUTESOLUTIONS](http://WWW.AACOG.COM/COMMUTESOLUTIONS)

### SAVE MONEY

The average 20 mile round-trip commute costs \$216 per month, and \$2,592 per year. Carpool with just one other person and reduce your cost by half!

### REDUCE POLLUTION

Vehicles are the largest source of ozone pollution in San Antonio. Alternative transportation reduces the number of cars on the road, and thus pollutants in the air.

### IMPROVE HEALTH

Your daily commute is associated with increases in blood pressure, blood sugar, cholesterol, back aches, and lower sleep quality. Take a load off and ride the bus or carpool instead!

### REDUCE TRAFFIC

In 2015, the average urban commuter wasted 42 hours every year stuck in traffic - or the equivalent of a full-time work week. Use your daily commute to read, relax, or rest instead!

### IMPROVE WELLBEING

The average commuter suffers from increased rates of anxiety and a higher risk of depression. Rather than fight traffic or drive alone, carpool with a friend or walk to work instead.

### LEARN MORE

Make your commute a little greener by ridesharing, taking the bus, walking or biking. Find out how by contacting the Commute Solutions team at [commutesolutions@aacog.com](mailto:commutesolutions@aacog.com)

## Why Shop Live Oak?

By choosing to shop, dine and entertain locally, you and your community benefit in many ways:

**Strengthen the Economy and LOWER TAXES** – Is there any bigger reason? A half cent of all city sales taxes are applied to buy down our residents and businesses property taxes.

**Build Community** – City sales taxes funneled to the general fund allow additional police forces, improvements to streets and infrastructure and upkeep of our wonderful park system. In addition, shopping locally allows you to interact with the locals, enjoy the public space surrounding the community and help give a unique identity to the City.

**They Support YOU** – Many of our local Live Oak businesses support our community and service events that bring joy to so many. Shopping locally is your chance to say “thank you!”

**Don't forget to support your local business and SHOP LIVE OAK!**

## Inspiring new standards of care.

In June 2018, Northeast Methodist Hospital welcomed its first Chief Medical Officer. Dr. Carnell Cooper arrived with 25 years of proven experience in leading clinical staffs to ever-higher standards of patient care. At the same time, he served in the US Army Reserve Medical Corps and taught at Johns Hopkins University School of medicine and the R. Adams Cowley Shock Trauma Center. There he created the Violence Intervention Program to help victims heal. For the difference it has made in peoples' lives, he was recognized as a CNN Hero in 2009.

Dr. Cooper is now setting clinical standards to guide our medical professionals in better 'Caring for our Tri-County communities, one patient and one person at a time.'
